Cattle Sorting Flag with Fiberglass Whip Rod – Durable, Lightweight & Weather-Resistant!

Enhance your livestock handling with our Custom Cattle Sorting Flag, designed for comfort, control, and visibility. Each sorting whip features a 12"x12" digitally printed single-sided nylon flag securely attached to a durable fiberglass whip rod, available in three size options to suit your needs:

- 86" Black Fiberglass Rod:** Includes a 31" whip extension and rubber-gripped handle for maximum reach and flexibility
- 50" Braided Fiberglass Rod:** Features a braided finish and rubber grip for enhanced control and comfort.
- 41" Orange Fiberglass Rod:** Comes with a smooth finish and blue foam handle for lightweight handling.

Offered in high-visibility colors like Green, Red, and Yellow, these sorting flags are weather-resistant, making them perfect for outdoor use. Whether for daily tasks or intensive livestock sorting, these tools combine durability, ergonomic design, and practicality to support efficient animal management.
